[Company Name]

Dear,

I am excited to apply for the Junior Software Engineer position at [Company Name]. With a strong foundation in software development and a passion for building efficient and scalable applications, I am eager to contribute my skills to your dynamic team.

My experience includes working with [list relevant programming languages, frameworks, or technologies], and I have developed projects that demonstrate my ability to write clean, maintainable code. In my recent work, I [describe a relevant project or accomplishment, such as optimizing an application's performance, contributing to a team-based software solution, or developing a feature that improved user experience].

Beyond technical skills, I am a quick learner who thrives in collaborative environments. I enjoy problem-solving and continuously seek opportunities to expand my knowledge. I am particularly drawn to [Company Name] because of its [mention something specific about the company, such as its innovative culture, impactful projects, or mentorship opportunities].

I would welcome the opportunity to further discuss how my skills and enthusiasm align with your team's goals. Please feel free to contact me at your convenience to schedule an interview. Thank you for your time and consideration—I look forward to hearing from you soon.

Best regards,

Edwin Chung
